***ALL PETS THROUGH ROAD DOGG RESCUE ARE HOMELESS OR ABANDONED ANIMALS IN NEED OF LOVING HOMES. IF FOR ANY REASON YOU FEEL YOU CANNOT PROVIDE FOR THE PET, WE ALWAYS TAKE THEM BACK INTO THE RESCUE.***

**FOSTERS:** Fosters do not have custody of the animal. You are a volunteer providing a service at your request. All rescues remain the sole property of Road Dogg Rescue (According to Florida Law) until RESCUE Animal is adopted. If you do not feel you can do the job, please do not hesitate to return the dog to us.

**ADOPTERS:** As with the fosters, cats remain property of Road Dogg Rescue until adoption papers are signed in person(s) wanting to adopt have agreed to the contractual agreement. Any money spent on said Pet while in your custody is a donation. Unless request is made within reason for ANY item, it will be provided for through the rescue. All rescues (pets, animals) will be financially cared for through Road Dogg Rescue.

**ADOPTERS, PLEASE BE PREPARED TO TAKE YOUR CAT HOME: CRATE, FOOD AND BOWLS FOR WATER. THIS WILL HELP YOUR FIRST DAYS TOGETHER RUN MORE SMOOTHLY. ALWAYS HAVE YOUR CAT IN A CARRIER WHEN TRAVELING. EVEN FOR A SHORT PERIOD. EVERYTHING IS NEW TO THEM, SO GIVE THEM TIME TO ADJUST.** Crates are not to be used for punishment or to get them out of your way. If you find that your pet is put into the crate for more hours than you spend with him/her, please return the animal for his/her own sake. We are of the mindset that all our rescues be members of the family and should be treated as such. If at any time, this is not what you signed for, no one is going to fault you. We take all our rescues back and find loving homes for them. **THINK BEFORE YOU ADOPT.** They are not possessions or cool things to have. They are living beings that, by default, are dependent upon us to take care of their every need. If you do not feel you can provide what the pet needs at this time, be honest and wait until you are ready.

By signing this application, you agree to the following:

1. **ADOPTION FEE:** Payment of an adoption fee. This fee helps to defray the expenses incurred for this pet(s) while in the organization's care such as food, grooming, providing monthly heartworm and flea prevention, and veterinarian expenses (shots, testing (and treating if necessary) for heartworms and/or parasites, spaying/neutering, etc.). Any donation you can make in addition to your pet adoption fee would be greatly appreciated! **ALL MONEY IS USED TO TREAT AND SAVE ANOTHER LIFE!** 2. **GRACE PERIOD:** If within 2 weeks of your adoption, you wish not to adopt this/these pet(s), the Organization will reclaim the pet and either refund the adoption fee or provide you with another pet (s). If after two weeks, and for the duration of the life of the pet(s), you should no longer wish to keep this/these pet(s), it/they **MUST** be returned to the Organization, with no refund. Also, if this pet is found to be in anyway unsuitable within the 1-year period of this contract, Road Dogg Rescue reserves the right to take possession of the Named pet immediately. 3. **CARE OF THE ANIMAL:** You agree to treat this/these animal(s) as a household pet, companion and family member. You agree to provide the pet(s) with daily wholesome food and clean water, affection, adequate exercise and a minimum of a yearly veterinary care. (in addition to any emergency care that may be required) The pet(s) **MUST ALWAYS** wear an ID tag with local city/county. The pet(s) **MUST** be primarily an inside pet(s). It/they **MUST NOT** be left outside, even in a fenced in yard, for long periods of time unattended. The pet(s) **MUST NOT** be allowed to roam outside a fenced area. The pet(s) **MUST NOT** be subjected to any form of cosmetic surgery including, but not limited to, ear cropping, tail docking, declawing or de-barking. The pet(s) **MUST NOT** be used for any experimental or fighting purposes whatsoever. These are rescues and they deserve peace. 4. **TRANSFER; EUTHANASIA:** You agree to not abandon, give away, sell or dispose of the pet(s) in any way, and to notify the Organization immediately at any time you determine that you no longer want to, or no longer can, humanely keep/care for the pet(s), so the Organization can take the pet(s) back and arrange other adoption(s). You agree to **NOT** euthanize the pet(s) except in the case of the pet(s) terminal illness/injury, or old age accompanied by pain and suffering, and in that case, the euthanasia must be performed by a licensed Veterinarian in a clinic or hospital. 5. **LOST PET(S):** You agree to make a serious effort if the pet(s) become lost or missing by immediately filing reports with the local police, animal control authorities, animal shelters, SPCA's and local veterinarians; and contacting the Organization for additional advice. (Please get a collar or tag with your current phone# and address for easy identification. Collars are for identification purposes and should always be on your dog. A harness is much more humane way to keep your dog on a leash. Easy to handle and keep your dog under control without hurting him/her.) If you do not plan on walking your dog, leave him/her here. 6. **VISITATION AND PERIODIC INSPECTIONS:** The Adopter agrees to provide the Organization and/or it's representative with information concerning the health and well being of the pet(s) upon request and to allow the Organization to conduct a follow-up on the pet(s) condition and treatment at any time. These follow ups will occur with notice for 1 year after pet(s) have been adopted. 7. **ENTIRE AGREEMENT; MODIFICATION; BINDING EFFECT:** This Agreement is the entire agreement between you and us and supersedes any prior understandings between you and us with respect to the subject matter of this agreement. No modification of this agreement will be valid unless signed by both you and us. This agreement is binding upon your and our heirs assign, successors, personal representatives, and executors.
